AUX
AIR CONDITIONER

GROUP PROFILE

1 Established in 1986, AUX Group is an enterprise group which covers several industries: home appliances, electrical equipment, medical service, real estate and investment. For many years it ranked China's top 500 enterprises.

2 In 2021, the group sales reaches RMB 72 billion, with total assets of RMB 64.7 billion. It has over 30,000 employees, and 11 manufacturing bases in Ningbo(3), Nanchang, Tianjin, Ma'anshan, Zhengzhou, Brazil, Indonesia, Thailand and Poland, 6 R&D centers. AUX is a leading producer of Smart Meter and Power Box in its sector, and has also ranked No.3 in the Air-Conditioner industry in2018-2021. Currently, it has invested and operated 35 medical institutions.

3 It owns 2 listed companies (601567.SH,02080.HK). As a National-Recognized Enterprise Technology Center, a Technology Innovation Model Enterprise, National Intellectual Property Demonstration Enterprise and a National Post-doctoral Work station, it owns two globally famous brands: AUX and Sanxing, which worth over RMB 41 billion.

4 When AUX is working on its development, it also cares about performing its social responsibilities. In the past years, it has donated RMB 309 million in total to various public programs, such as the field of targeted poverty alleviation, education, disaster relief and environment protection.

5 In the new era, aiming to become a world-class enterprise, AUX will keep carrying out the mission of "Creating an intelligent living environment and Cultivating great talents" and work hard to achieve the strategic goal of "100 billion market value, 100 billion sales and 10 billion profits".

INTELLIGENT MANUFACTURING

Industries covering **home appliances, electrical equipment, medical service, real estate and investment,** etc.

In 2022, group revenue Of RMB **81 billion, over 30,000** employees

Public welfare donation RMB **309 million**

11 Manufacturing Bases

6 R&D Centers

Exported to 123 countries and regions , over 400 cooperative customers

STARTUP & DEVELOPMENT (1986-2019)

1986

Startup from Longguan Town

At the age of 25, Zheng Jianjiang volunteered to contract the Longguan Clock&Watch Parts Factory, which was on the verge of bankruptcy, and started his business.

1989

Entered the instrument Industry and founded Sanxing brand later

With an expansion of 500 times, we claimed the crown of power meters nationwide, and are now a leading integrated solution provider of intelligent power distribution.

1994

Entered the air-conditioning industry and created AUX brand

With an expansion of 1000 times, AUX made its way to the top 4 in the air-conditioning industry, and ranks third in China's air-conditioning industry.

2000

Entered the real estate industry

We have our network cover more than ten cities and are now a comprehensive land agent of diversified business models.

2006

Ningbo Mingzhou Hospital (later renamed as Zhejiang University Mingzhou Hospital) opened

We started to extend our business into medical industry and became a pioneer of non-governmental hospitals and a cross-industry representative with more than ten years of efforts in the path characterized by private-capital hospital running.

2009

Entered the investment industry

We established Huijin Micro-credit Company and jointly held shares in 2 banks.

2011

Sanxing Electric (601567)

It was listed in the main board of Shanghai Stock Exchange and was later renamed as "Sanxing Medical".

2012

Set up R&D Center successively in Hangzhou and Ningbo

These promoted the technical research and application of intelligent power grid and intelligent household electrical appliances.

2013

Established a financial center in Shanghai

The center carried out financial leasing business.

2014

Set up a medical group

It comprehensively deployed the healthcare strategy.

2015

Established overseas factories in Brazil and Indonesia

It worked in overseas real estate development in Australia and was renamed as AUX International after merger with Hong Kong stocks (02080.HK).

2016

Leaped to No. 3 in air conditioner production scale

We newly built a production base for the export of intelligent household electrical appliances.

2017

Newly built the intelligent household air conditioning industrial park in Ma'anshan

We advanced towards kitchen appliance industry together with the expansion of hospitals and medical healthcare.

2018

Launched Strategy X to build intelligent household appliance production bases in Thailand and Zhengzhou

We aimed to build the R&D Center in Japan into a global R&D highland for household electrical appliances.

2019

Initiating in the industry

It initiated the mode of "Internet direct selling of air conditioners". The Thailand Base was officially completed in August.

2020-PRESENT

Facing the new era,
AUX adheres to the corporate mission of "creating intelligent life and cultivatingoutstanding talents" and aspires to become a world-famous enterprise.

Responsibility **Quality** **Forging ahead** **Innovation**

Humanitarian assistance

April 2020
Commendation meeting of the pioneer in aiding Hubei of AUX Group

Rising product strength

June 2020
Cloud conference of the air conditioner with removable and washable movement of AUX Group

Leading meeting

December 2020
Roundtable seminar on "Innovation boosts high-quality development of manufacturing industry"

Official cooperation

February 2021
Official exclusive supplier of air conditioner for the 19th Asian Games Hangzhou 2022

Secure quality

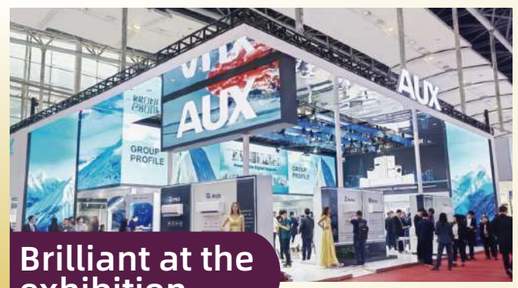
November 2022
China polar scientific research partner

High-end image

July 2023
China (Ningbo) International Appliance Expo

Forging ahead with determination

September 2023
Ranked among the top 500 Chinese enterprises in 2023



Brilliant at the exhibition

October 2023
The 134th China Import and Export Fair (Canton Fair)

Powerful combination

November 2023
Cooperation with Panasonic in the compressor field

PANEL SELECTION

Elegant White

Elegant white-glossy finish

Classic Black

Elegant white matte

Originating from the craftsmanship of Japanese design, it uses the golden ratio of the Pythagorean Theorem to create a minimalist texture body, interpreting a new home aesthetics

MAIN SELLING POINT

LARGE COOLING CAPACITY

Air outlet: Wider and further, faster cooling and heating
Air supply mode: Wide-angle air supply with large outlet brings the wind across the living room and dining room, providing a comfortable environment

WIFI CONTROL

Develop the leading technology and intelligently connect with mobile phone, achieving remote control of the air conditioner

SMART MICRO-PERFORATION WIND

Equipped with new micro-perforation air guide plate delivers lighter, softer, and more comfortable air supply in the guaranteed cool environment

8°C CONSTANT TEMPERATURE

Constant temperature heating, surrounded by comfortable breeze

EASY INSTALLATION

Detachable underjaw and plate support for large operation space. The installation efficiency is greatly improved, saving 20% of installation time

CHASSIS ELECTRICAL HEATING

Wide range of working environment temperature, startup at extremely low temperature

THE FIFTH GENERATION OF SELF-CLEANING

Comprehensive upgrade, six steps for cleaning indoor and outdoor units thoroughly. Remove four major bacteria with 99.9% sterilization rate

CLEANING REMINDER

The dirt condition on filter screen could be displayed through light bovard to remind users of cleaning in time

FULL DC INVERTER COMPRESSOR

Start from -30°C low temperature to 60°C high temperature, not afraid of cold and heat.Low frequency operation and energy saving

AUX SPLIT ROOM AIR CONDITIONER			NUMBER	09K	12K
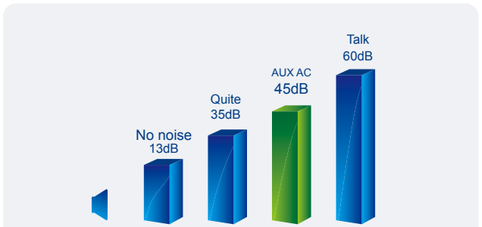
Items				ASW-H09B1B4/FAR1-B2	ASW-H12C0D4/FAR1-B4
Nameplate Parameter	Rated Capacity	Cooling	W	2800	3000
		Cooling	BTU	9000	12000
		Heating	W	2900	3200
		Heating	BTU	9000	12000
	Rated Power Consumption	Cooling	W	860	1250
		Heating	W	800	1060
	Rated Running Current	Cooling	A	4.8	6
		Heating	A	4.5	5.6
	Max. Input Power		W	1300	1650
	Max. Input Current		A	6.2	8
	EER Cooling		W/W	3.26	2.4
	COP Heating		W/W	3.63	3.02
	Power supply source		V/Ph/Hz	220-240V~/50Hz	220-240V~/50Hz
	Refrigerant			R410A	R410A
	Noise level		dB（A)	38	44
	Noise level		dB（A)	51	52
	Indoor unit weight （Net)		Kg	7.5	8
	Outdoor unit weight (Net)		Kg	22.5	24.5
Indoor unit configuration	Dimension	Net Dimension(WidthxDepthxHeight)	mm	690*283*199	750×285×200
		Packing Dimension(WidthxDepthxHeight)	mm	760*347*277	820×347×277
Outdoor unit configuration	Dimension	Net Dimension(WidthxDepthxHeight)	mm	727*456*278	660(710)×500×240
		Packing Dimension(WidthxDepthxHeight)	mm	760*510*305	780×570×345

AUX SPLIT ROOM AIR CONDITIONER			NUMBER	18K	24K
Items				ASW-H18D2C4/FAR1-B6	ASW-H24F0A4/FAR1-C2
Nameplate Parameter	Rated Capacity	Cooling	W	4600	6050
		Cooling	BTU	18000	24000
		Heating	W	4800	6400
		Heating	BTU	18000	24000
	Rated Power Consumption	Cooling	W	1850	1990
		Heating	W	1700	1970
	Rated Running Current	Cooling	A	8.8	9.50
		Heating	A	8.1	9
	Max. Input Power		W	/	/
	Max. Input Current		A	11	14
	EER Cooling		W/W	2.49	3.04
	COP Heating		W/W	2.82	3.25
	Power supply source		V/Ph/Hz	220-240/50	220-240V/50Hz
	Refrigerant			R410A	R410A
	Noise level		dB（A)	43	47
	Noise level		dB（A)	55	58
	Indoor unit weight （Net)		Kg	9.5	11.5
	Outdoor unit weight (Net)		Kg	34	45
Indoor unit configuration	Dimension	Net Dimension(WidthxDepthxHeight)	mm	900×310×225	900×310×225
		Packing Dimension(WidthxDepthxHeight)	mm	970×382×302(50FA)	970×382×302
Outdoor unit configuration	Dimension	Net Dimension(WidthxDepthxHeight)	mm	800×545×315	825×655×310
		Packing Dimension(WidthxDepthxHeight)	mm	920×620×400	945×725×435

PORTABLE

SUPER QUIET

Through the air tunnel optimization technology and equiped with big diameter fan and high efficiency PG motor.which help the indoor unit deliver a better air distribution and air flow with noise low to 45dB,providing you comfortable sleeping environment



ADVANTAGE WATER ATOMIZATION

Without water tank, automatically fetching water to the condenser, make water evaporate

Reduce the condensing temperature, reduce power consumption, enhancing the condensation efficiency

LONG-DISTANCE REMOTE CONTROL

Effective remote-control distance of 10 meters makes it more convenient

SOUND INSULATION COTTON WITH LARGE AREA

Effectively suppress the noise of compressor operation, improve the comfort level and it will not disturb your rest.

SILENCER COTTON, DUAL-LAYER

Reduce the noise level from compressor by decreasing vibration of the whole unit

LARGE DISPLAY SCREEN

Large touch panel together with easy operation

PRODUCT SPECIFICATION SHEET

AUX SPLIT ROOM AIR CONDITIONER			NUMBER	12K
Items				AM-H12C2A4/MAR1-B0
Nameplate Parameter	Rated Capacity	Cooling	W	3000
		Cooling	BTU	12000
		Heating	W	3000
		Heating	BTU	12000
	Rated Power Consumption	Cooling	W	1700
		Heating	W	1400
	Rated Running Current	Cooling	A	7.1
		Heating	A	7.1
	Max. Input Power		W	2400
	Max. Input Current		A	10
	EER Cooling		W/W	1.7
	COP Heating		W/W	2.1
	Power supply source		V/Ph/Hz	220-240V/1/50Hz
	Refrigerant			R410A
	Noise level		dB（A）	53
	Noise level		dB（A）	/
	Indoor unit weight （Net）		Kg	30
	Outdoor unit weight （Net）		Kg	/
